ORDINANCE NO. __________

AN URGENCY ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CHAPTER II OF THE COMPTON MUNICIPAL CODE AND CREATING A LAW ENFORCEMENT REVIEW BOARD

WHEREAS, the City Council approved Resolution 19,887 authorizing a law enforcement services contract with the Los Angeles County Sheriff’s Department (hereinafter referred to as “Sheriff’s Department”); and

WHEREAS, the Sheriff’s Department has provided law enforcement services to the City of Compton (hereinafter referred to as “the City”) pursuant to an annual contract since September 12, 2000; and

WHEREAS, the City is committed to improving public safety by working in partnership with the Sheriff’s Department to enforce local and state law, reduce incidents of crime and treat violators of crime with fairness and dignity; and

WHEREAS, black men and boys are two and a half (2.5x) more likely than white men to die during a police encounter according to a series of studies conducted by the National Academy of Sciences published in August of 2019; and

WHEREAS, on May 31, 2020, a video was posted on various news outlets depicting Sheriff’s Department Deputies repeatedly assaulting Dalvin Price, a detained black man, in the City and investigation by the Sheriff’s Department is currently pending; and

WHEREAS, recent events have sparked global protests and ignited activism from individuals and organizations demanding action to be taken to end racially motivated violence by police and law enforcement agencies; and

WHEREAS, organizations such as the National Association for the Advancement of Colored People (NAACP) and the American Civil Liberties Union (ACLU) are calling for police reform all across the United States; and

WHEREAS, the Obama Foundation has challenged Mayors and City Council members to take immediate action and make a pledge to address the use of police force in each respective City; and

WHEREAS, in alignment with the City’s commitment to maintain a safe environment for the public and recognizing the need for police reform, it is proposed that the City establish a Law Enforcement Review Board, pursuant to Compton City Charter, Article X, Section 1000, which authorizes the City Council to create advisory boards and commissions granting them powers and duties consistent with the provisions of the Charter; and

WHEREAS, calls for law enforcement reform are reverberating loudly throughout the country, and the public’s response to these killings and abuses by law enforcement has created instability and threatens the public safety of residents; and

WHEREAS, the City is a powder keg for civil unrest as residents feel they are not being heard in response to their long-standing and recent cries for justice and transparency from law enforcement; and

WHEREAS, systemic racism within law enforcement and police violence against civilians are at epidemic levels, and the recent murders of George Floyd, Breonna Taylor and Ahmaud Aubrey have not only magnified the disproportionate use of police force against Black Americans, but has heightened tensions between law enforcement and communities of color; and

WHEREAS, due to these recent events, it is evident that there is a need for the City of Compton to establish a Law Enforcement Review Board to independently review allegations of misconduct and increase accountability and trust with the public and those that provide law enforcement services for the City; and
WHEREAS, the proposed ordinance to establish such a Board is being brought as an urgency ordinance because there exists an immediate threat to public safety and without the immediate creation of said Board, the residents lack the means to lodge complaints with the City about law enforcement abuses or any recourse to ensure that they are protected from retaliatory acts which may otherwise fail to be reviewed and investigated.
